Downtown Hawley Partnership Event Updates

One of the hallmarks of Hawley tradition for decades has been Hawley Harvest Hoedown and Hawley Winterfest. After careful consideration, the Downtown Hawley Partnership board of directors has announced that both of these events will not take place in 2020.

Elaine Herzog, president of the DHP said, “It is with heavy hearts that we made this decision. It was not made lightly but the current indicators for the continued threat of COVID-19 into the fall and winter months really gave us no choice.”

Originally Hoedown was scheduled for October 3 and 4, and Winterfest was scheduled for December 11 through 13. The new dates for 2021 will be announced at a later date.

“The health and safety of our residents, our visitors, our participants, and our businesses is our first priority. Our businesses are open under the State’s guidelines and we welcome customers to visit at any time. Supporting our small businesses remains the top priority of the Downtown Hawley Partnership. We are optimistic that other, smaller events and happenings will take place in the coming months.”
