

2022 Participating Location Fall Crawl & Beer Tour

Hoedown Fall Crawl - Saturday, September 24 Through Monday, October 3
Winterfest Beer Tour - Friday, December 2 through Sunday, December 11

The Hawley Harvest Hoedown's Fall Crawl will kick off on the Downtown Hawley Partnerships last Last Saturday of the year Sat., Sept. 24th and go through the Hawley Harvest Hoedown to Mon., Oct. 3rd.

The Hawley Winterfest's Beer Tour will start on Fri. Dec. 2nd and end on Sun. Dec. 11th, the last day of Winterfest.

These Annual Activities are a way to spotlight our local bars and restaurants. Having a 10-day long activity helps to promote responsible enjoyment by everyone and allowing our participating locations to keep up with influx of patrons. We hope you will offer a designated driver drink option to also help promote responsible patrons.

Rules: Patrons will pick up a Fall Crawl card with a list of all participating locations. After purchasing a specialty drink offering, the participating location will mark the patron's card. Once the patron visits a qualifying number of participating locations, they may turn in their card at the Visitors Center to receive a custom printed pint glass.

To be included in this fun event, a contribution of \$150 (\$250 non-DHP members) will get you listed as a participating stop. We ask that you feature a special beer, wine, cocktail, or mocktail to highlight the season but should have multiple options for a qualifying purchase.

Be creative, have fun with this and maybe even invent a new drink!

Registration & Payment must be received by September 2, 2022 to be included in all advertising
